### Watch for the confirmation email and respond.

For bidding on our estate and consignment auctions, that is all you need to do.

You are ready to bid by finding the auction you wish to participate in. Links can always be found on our website's upcoming auction page. Login and you are ready to go.

## Bidding on Vehicles

We require a separate Vehicle Registration form to be filled out and returned to us.

Having this allows us to complete the vehicle title paperwork prior to you arriving to sign forms. The PDF form link can be found on our website on the Upcoming Auction page.

### **Vehicle Auction Registration**

You only need to complete and send this to us one time. When you wish to bid, on the auto auction page click on the “Get Approved to Bid” button. *It is not instant.* I have to verify that you are on the “whitelist” and approve your access. Make sure you are set up far in advance of the auction end day and time.

All title documents will be completed at the check out.  
\$150 buyer's premium, Sales Tax 9.3% and title fees will be charged during your appointment with Stokes Auction to complete the title documents.  
Note: Under the photos there is a tab for video, when available (motors running).

The screenshot shows the top navigation bar of the Apro.bid website. The 'MY FAVORITES' tab is highlighted with a yellow circle, and a black arrow points to the 'Get approved to bid' button located within this tab. Below the navigation bar, there is a search bar with the text 'Search by Title, Description, Lot#' and a magnifying glass icon. To the right of the search bar are 'All Lot Types' and 'Reset' buttons. Below the search bar, there are pagination controls showing '1-12 of 23 results' and buttons for 'Previous', '1', '2', and 'Next'. There are also sorting options for 'Auction End Date', 'Title', 'Lot Number', 'Current Bid', and 'Clear Sorting'. At the bottom, there are four lot cards: 'Lot # 0001', 'Lot # 0001a', 'Lot # 0002', and 'Lot # 0003', each with a star icon and a thumbnail image.
